Committed to improving children's lives in Africa

Registered Office: Pleanmill Cottages, Airth Station Road, By Falkirk, FK2 8SF, 07980 306 520

Child Protection Policy

Background

The Charity does not support, communicate with, or interact with individual children and all transactions are conducted via the Headmaster of the Genieri Day Care Centre.

In consequence child protection is almost entirely a local matter.

The exception arises when representatives of the Charity visit the Village.

Policy

During such events all direct interaction with the children will be conducted in the presence of a member of the Day Care Centre staff, or another villager.

Jimmy Houston

Lead Trustee
